

# 1. Download and Install **AdobeAIRinstaller.exe**

The screenshot shows the ACTi Project Planner 2.0 website. The header includes the ACTi logo with the tagline 'Connecting Vision' and 'Project Planner 2.0'. Navigation links include 'ABOUT ACTi', 'CONTACT Us', 'SITEMAP', and 'WHERE TO Buy'. A secondary navigation bar lists various tools: 'PRODUCT SELECTOR', 'ACCESSORY', 'LENS SELECTOR', 'VOLTAGE CALCULATOR', 'SWITCH SELECTOR', 'BANDWIDTH & STORAGE', 'PC SELECTOR', and 'FLOOR PLAN CREATOR'. The main content area features a 'Welcome to FLOOR PLAN CREATOR' section with the tagline 'Technology Leader in IP Surveillance End-to-end Solution Development and Integration'. Under 'How to install it?', the first step '1. Download and install "AdobeAIRinstaller.exe"' is circled in red. Other steps include installing Project Planner 2.0 and opening the Floor Plan Creator. A list of features includes loading background images, finding camera locations, calculating lens focal lengths, real-time projected views, and checking blind spots. A text box states: 'Floor Plan Creator provides the best field of view for a given project.' On the right, there are two images of an ACTi trade show booth, one showing the booth structure with 'H.264' signage and another showing a group of people in front of the booth.

How to install it?  
[Installation Manual](#)

1. Download and install "AdobeAIRinstaller.exe"

2. Install Project Planner 2.0 (or Project Planner 2.0 (only for floor plan creator))

3. Once the Project Planner 2.0 is installed, you'll see a butterfly icon on the desktop. Click it and open the Floor Plan Creator directly.

Most projects come to System Integrators on drawings so the graphical representation of the Field of View is required.

- Load Floor Plan background image from \*.jpg
- Find the best camera location efficiently.
- Calculate precise camera lens focal length and viewing angles immediately
- Real-time Projected View and Sample Screen allow user to simulate the size of viewing object
- Check the field of view of each camera and find blind spot to increase the security level

Floor Plan Creator provides  
the best field of view  
for a given project.

# 1.1 Download AdobeAIRinstaller.exe

The image shows a screenshot of the ACTi Project Planner website. The website header includes the ACTi logo with the tagline "Connecting Vision" and navigation links for "ABOUT ACTi", "CONTACT Us", "SITEMAP", and "WHERE TO Buy". Below the header, there are menu items for "PRODUCT SELECTOR", "ACCESSORY", "LEN", "STORAGE", "PC SELECTOR", and "FLOOR PLAN CREATOR". The main content area features a "Welcome to FLOOR PLAN CREATOR" section with instructions on how to install the software. A Windows security warning dialog box is overlaid on the page, asking "是否要執行或儲存這個檔案?" (Do you want to run or save this file?). The dialog box provides details: "名稱: AdobeAIRInstaller.exe", "類型: 應用程式, 15.1MB", and "從: www.acti.com". The "執行(R)" button is circled in red. Below the dialog box, there is a warning icon and text: "雖然來自網際網路的檔案可能是有用的, 但是這個檔案類型有可能會傷害您的電腦。如果您不信任其來源, 請不要執行或儲存這個軟體。有什麼樣的風險?" (Although files from the Internet may be useful, this file type could harm your computer. If you do not trust its source, do not run or save this software. What are the risks?). The background of the website shows a trade show booth for ACTi with various displays and people.

ACTi Connecting Vision

## 2.2 Install Project Planner 2.0

The image shows a screenshot of the ACTi Project Planner 2.0 website. The website header includes the ACTi logo with the tagline "Connecting Vision" and the product name "Project Planner 2.0". Navigation links include "ABOUT ACTi", "CONTACT Us", "SITEMAP", and "WHERE TO Buy". A secondary navigation bar contains "PRODUCT SELECTOR", "ACCESSORY", "LENS", "PC SELECTOR", and "FLOOR PLAN CREATOR". The main content area features a "Welcome to FLOOR PLAN CR" section and a "How to install it?" section with an "Installation Manual" link. A list of steps for installation is provided, including downloading "AdobeAIRInstaller.exe" and installing "Project Planner 2.0".

Overlaid on the website is a Windows-style dialog box titled "應用程式安裝" (Application Installation). The dialog box contains the following text:

您確定要將此應用程式安裝到電腦上嗎?  
發行者: 不明  
應用程式: Project Planner

Buttons for "安裝" (Install) and "取消" (Cancel) are visible, with "安裝" circled in red. Below the buttons, there is a warning message in Chinese:

安裝應用程式可能會使您與電腦面臨安全性風險。請僅從信任的來源安裝。

Below the warning, there are two status indicators:

- 發行者身分: 不明  
無法確定此應用程式的發行者。
- 系統存取: 不受限制  
此應用程式可能會存取您的檔案系統及網際網路，這可能會使電腦面臨風險。

The background of the dialog box shows a blurred image of an exhibition booth with an "ACTi H.264" sign.

# 3.1 Start to use Project Planner 2.0

# 3.2 Start to Use Floor Plan Creator

The screenshot displays the Floor Plan Creator software interface, which is divided into several functional panels:

- PHYSICAL LAYOUT:** The top-left panel shows a 3D perspective view of a floor plan. A camera icon labeled 'Cam-2' is positioned on the floor, with a yellow cone representing its field of view. A scale bar at the bottom right of this panel indicates '100px' and '9.52 M'.
- RELATION SETTING:** The top-right panel contains a 'CAMERA LIST' section with a plus sign icon.
- SAMPLE SCREEN & PROJECTED VIEW:** The middle-right panel shows a sample camera view of a doorway. Below the main view are two smaller thumbnails labeled 'NEAR VIEW' and 'FAR VIEW', each showing a person's face and a corresponding colored stick figure (green for near, blue for far).
- CAMERA SETTING:** The bottom panel is divided into 'Physical Setting' and 'Logical Setting' tabs. The 'Physical Setting' tab is active, showing the following parameters:
  - Device: ACM-5811, Device Id: Cam-2
  - Resolution: 720x480, Lens: PLEN-0106
  - VIEW ANGLE(H): 36.7 Deg (range: 5.7 ~ 36.7)
  - VIEW ANGLE(V): 27.5 Deg
  - FOCAL LENGTH: 7.5~50mm
  - PIE COLOR: Yellow
  - FAR FIELD DISTANCE: 10 M
  - NEAR FIELD DISTANCE: 9.37 M
  - CAMERA HEIGHT: 3 M
  - CAMERA TILT ANGLE: 4 (range: 0, 45, 90)
  - CAMERA DIRECTION: 0 (range: 0, 180, 360)

A 3D diagram at the bottom right of the interface illustrates the camera's field of view and projection geometry. It shows a camera icon on the left, a yellow cone representing the field of view, and a blue cone representing the projected view. Dimensions are provided for various distances and angles: 10 (far field distance), 9.37 (near field distance), 3 (camera height), 36.7 (horizontal FOV angle), 27.5 (vertical FOV angle), 6.63 (width of projected view), 4.72 (height of projected view), 6.22 (distance to near field edge), and 9.37 (distance to far field edge).
